RE: Request for Proposals for On-Call Professional Services for Public Works Projects within the County of San Mateo

To Consultants:

Due to the high number of Proposals received for this Request for Proposals, the County will be delaying the Announcement of Standing. Please check the Public Works website periodically for updates on the Announcement of Standing. Thank you for your patience while the Department of Public Works reviews all the proposals received. We will release the Announcement of Standing once it is finalized.

Regards,
County of San Mateo
