SUBJECT: RFQ – DESIGN BUILD ENTITIES FOR: SAN MATEO COUNTY CORDILLERAS REPLACEMENT PROJECT

Thank you for your recent submittal responding to the County's request for qualifications of DBEs for the subject project. The County received six submittals of response on the RFQ issued. Subsequently, the selection committee performed its screening of the responses and reference checks to determine compliance with the requirements of the RFQ-DBE. We are pleased to inform you that, your respective team have met the qualifications set out in the RFQ-DBE and will be advancing to participate in part two of this effort: RFP-DBE. *(listed alphabetically)*

- ERDMAN
- Stronghold Engineering, Inc.
- XL Construction Corporation

The County expects to issue the RFP-DBE the week of July 11, 2016. In the interim, we ask that the design-build entity teams not make any attempts to contact, discuss with, or inquire of any County consultant, employee, elected official or member of the RFQ/P Review Technical Advisory Committee on any matter relating to this solicitation process. We thank you for your time and consideration in this regard and look forward to your team's participation in part two of this process.

Sincerely,

Rob Kalkbrenner,
Capital Projects Manager
