Parking Restrictions at the Parking Lot located at 3060-3080 Middlefield Road	<ul style="list-style-type: none"> • Presentation by Joe Lo Coco • New parking lot at Middlefield Road and Second Avenue • All existing diagonal parking spaces on Middlefield Road will be replaced with parallen parking spaces • This will reduce available parking from 125 spaces to 70 spaces • New County operated lots will offset this loss of on-streetparking by adding 59 spaces, a net gain of 4 parking spaces • No overnight parking will be allowed. Parking will only be allowed from 7am-10pm • Parking will be limited to 2 hours and will be enforced on weekdays and weekends • The purpose of the parking restrictions is to make parking available for business patrons • The lots are not intended to be used for resident overflow parking • The restrictions are also in place to manage factors such as overnight parking that commonly result in increased trash • The lot at Middlefield and Second is expected to be completed in November 2017 and construction on the lot at Berkshire and Huntington Ave will begin in early 2018 •
Questions from Council Members	<ul style="list-style-type: none"> • Melinda Dubroff: Will there be a garbage can at the lot at Middlefield and Second Ave. • Joe Lo Coco: It's not planned at the moment, although trash cans might be placed at places along the sidewalk when the redesign happens • Linda Lopez: Are there going to be any trees? • Joe Lo Coco: Yes, there will be some landscaping, a couple trees and bushes • Rosaura Lopez: Have you thought about having overnight parking for businesses? • Joe Lo Coco: No because we don't want people parking there overnight to limit trash at the lot

Use permit to allow an accessory building to be located within	<ul style="list-style-type: none"> • Presentation by Carmelisa J Morales • Project proposal is to build a 464 sq.ft detached one car garage with an attached one-car carport • Location it 12.5 ft form the rear property line and witing the rear quarter of the parcel

<p>the rear quarter of the parcel where, in the case of a parcel abutting upon two or more streets, accessory buildings may not encroach upon the outer quarter of the parcel nearest either street. The project is located at 3520 Bay Road in the unincorporated North Fair Oaks area of San Mateo County.</p>	<ul style="list-style-type: none"> • Proposal also includes legalization of the unpermitted conversion of the 522 sq.ft attached two-car garage into a conditioned space • Project complies with the North Fair Oaks Community Plan and is categorically exempt from the California Environmental Quality Act (CEQA) • One neighbor provided comments that they would like the proposed structure set back at least 15 ft. from the side walk and be subject to the daylight plane requirement, that no trees be removed and that unmaintained fences be maintained
<p>Questions from Council Members</p>	<ul style="list-style-type: none"> • Melinda Dubroff: Does the use permit include the removal of the fence? • Carmelisa Morales: It does not • Melinda Dubroff: is it common for the county to approve fences that extend beyond the property line • Carmelisa Morales: Approvals vary on a case-by-case basis •
<p>Public Comment</p>	<ul style="list-style-type: none"> • Property Owner: We recognize that the fence is ugly and we plan to do something about it, we're just not sure what yet • Jeff Mitchel, Neighbor: Is there going to be a driveway entrance from spring street into the garage? • James Coulter, Neighbor: In favor of the project, scope is small. Notes that project should improve aesthetics of the area
<p>Council Action</p>	<ul style="list-style-type: none"> • Council voted 6-0 to approve the use permit • Youth member Yesenia Mendez had not been sworn in yet so she was unable

	to vote.
<p>Consideration of an off-street parking exception, pursuant to section 6177 of San Mateo County’s Zoning Regulations, to allow one covered parking space where two are required and to allow one uncovered parking space located in the front yard setback located at 499-6th Avenue in the unincorporated North Fair Oaks area of San Mateo County</p>	<ul style="list-style-type: none"> • Presentation by Laura Richstone • Applicant proposal includes an addition/remodel to add 726 sq.ft to the rear and side of the residence to create a new 3rd bedroom, office, and 2 bathrooms • The applicant intends to demo the existing carport and construct a new single car garage • The off-street parking exception would allow one covered parking space where two are required and one uncovered parking space located off of the driveway in the front yard setback
<p>Questions from Council Members</p>	<ul style="list-style-type: none"> • Linda Lopez: Will any trees be removed? • Laura Richstone: No trees will be removed • Linda Lopez: Where there any comments from the public? • Laura Richstone: Public notice was sent to the neighbors 10 days before the meeting (in Spanish and English) and no comments were received •
